

# WE REMEMBER YOU

words & music by: Justin Unger & Josh James - 2013

## verse 1

**D**  
All of us have gone astray                      turning back to our own way  
**G                      A                      D**  
Then Love arrived to give us life that day

## verse 2

**D**  
Our sorrow and our griefs He bore      Guilt and shame forever worn  
**G                      A                      D**  
Silent He... died for me that day

## chorus

**G                                      Bm**  
We remember    We remember You  
**A                                      G                      D**  
Your body that was given and your flesh torn through  
**G                                      Bm**  
We remember    We remember You  
**A                                      D**  
and Your blood that covers all

## verse 3

**D**  
Forsaken by the hearts of men      Abandoned by His closest friends  
**G                      A                      D**  
*Yet Unimpaired He saw me there that day*

bridge    **inst..... Bm G D/F# Em      Bm G D/F# Asus A**  
**Bm**

The Lamb of God was spotless  
**G                      D                      Asus A**  
Suffering regardless He gave it all  
**Bm**  
Yet though ourselves esteemed Him  
**G                      Em                      A**  
stricken and rejected we have been redeemed
